PUBH 200, ENGL 110C, BIOL 121N/122N and 123N/124N, CHEM 121N/122N, MATH 162M and STAT 130M must be completed with grade of C or higher to meet program eligibility requirements. Most general education requirements should be complete before declaring the major. Typically, students declare the major by the fall of the Junior year. Consult an advisor in the ODU Health Sciences Advising Center http://www.odu.edu/hs/advising ODU Online https://online.odu.edu/programs/public-health-bs

Impact of Technology is met in the major with PUBH 485. Option D satisfies the Upper Division General Education requirement by completing six (6) credits at the 300-400 level EXCEPT CSD, CYTO, CHP, DNTH, EXSC, ENVH, MLS, NMED, RT, PUBH. Foreign language may be satisfied with 3 years of 1 or 2 years of 2 languages in high school; graduation from HS prior to 12/31/85, or with AA or AS Degree from VCCS. Elective credits may be needed to achieve the minimum 120 credit hours required for the degree. Electives can be from any college. Some electives that can be considered are ENVH 401, 420, and HLSC 405.

Requirements for graduation include a minimum cumulative grade point average of 2.00 overall and in the major, a minimum of 120 credit hours, which must include both a minimum of 30 credit hours overall and 12 credit hours in upper-level courses in the major program for Old Dominion University, completion of ENGL 110C and ENGL 211C or 231C, and the writing intensive (W) course in the major with a grade of C or better, and completion of Senior Assessment.
