GENERAL BENEFICIARY INFORMATION

You may find the following definitions helpful in completing your Beneficiary Designation form.

Primary Beneficiary: Your primary beneficiary should be the individual(s) or organization that you wish to receive the insurance proceeds. You may have the proceeds divided among several primary beneficiaries. To do this, you must indicate what percentage of the proceeds you would like them to receive. Your total shares must equal 100%.

Contingent Beneficiary: Your contingent beneficiary should be the individual(s) or organization that you wish to receive the insurance proceeds if your primary beneficiary(ies) (see definition above) predecease(s) the insured. You may have the proceeds divided among several contingent beneficiaries. To do this, you must indicate what percentage of the proceeds you would like them to receive. Your total shares must equal 100%.

Trust(ee) Designation: If you plan to have the insurance proceeds distributed through a Trust, you should complete this section with the appropriate information. Your Trust(ee) will be held fully responsible for the application for and disposition of the insurance proceeds. This section should only be used if you have a legally drawn inter vivos trust agreement or an appropriate Trust(ee) is designated under your Last Will and Testament. If you complete this section, do NOT complete the Primary or Contingent Beneficiary sections.

An inter vivos trust is a trust established during the life of the trustor (the person who creates the trust) for the benefit of the trustor or other living persons.

INSTRUCTIONS FOR COMPLETING BENEFICIARY DESIGNATION

- 1. Fill in the insured's Name of Employer, Group Policy Number (found on your Certificate) and Social Security Number at the top of the form. At the bottom of the form, fill in the name of the insured person or owner (if assigned), the daytime phone number, address, and sign and date the form.
- 2. Fill in the Primary Beneficiary(ies) and Contingent Beneficiary(ies), if any. For each Primary and Contingent Beneficiary listed, enter the relationship (when the relationship of the beneficiary is other than by blood or marriage, the relationship should be shown as "Nonrelative"), date of birth, address(es) (permanent residence) and percentage of share (all shares must add up to 100%).
- 3. If you wish to name a Trust(ee) as beneficiary, complete one of the two Trust(ee) Designations **instead** of the Primary and Contingent Beneficiary sections. If the trust is an inter vivos trust, check only the first Trust(ee) Designation box, and complete the top Trust(ee) designation. You should enter (1) the name and address of the Trust(ee); (2) the Title of the Agreement; and (3) the date of its execution. **NOTE: AN INTER VIVOS TRUST MUST BE A LEGALLY DRAWN AGREEMENT**.

If you wish to make a Trust(ee) under Will Designation, check only the second Trust(ee) Designation box.
